Why Join

MMA active volunteer members work hard to correct misconceptions and eliminate stereotypes attributed to motorcyclists by educating the general community through our charitable works, such as canned food collections, adult and children's charities, and our highly acclaimed Lacey Packer Memorial Toys for Local Children Run.

We are a volunteer organization of concerned brothers and sisters who share a love of riding and a belief in personal rights. People of all colors, creeds and nationalities united by a common goal: The freedom to ride safely, with dignity and without hassles. Although our work is important, the MMA is not all work! We have a variety of good-time annual events such as our 3-day Fall Round Up, Bike Raffle, Valentine's Day Party, Annual Christmas Party, Lacey Packer Toys for Local Children Run, Storm the Statehouse Lobbying Day, as well as monthly District and County meetings.

From 1975 through 2000, we were known as the Modified Motorcycle Association. We changed the name to better represent all motorcyclists here in the Commonwealth of Massachusetts. The MMA is the voice of all Massachusetts Motorcyclists no matter what motorcycle we ride!

The MMA is your local Motorcyclist Rights Organization (MRO). Our focus is on helping Massachusetts' Motorcyclists fight for their rights by becoming a stronger voice, and working together with organizations -- both public as well as private -- to ensure freer and safer conditions on Massachusetts' roads and highways.

Our dues are nominal and our tasks are

Mission Statement

The MMA is a not-for-profit organization of motorcycle riders and enthusiasts, dedicated to the preservation and enhancement of motorcyclists' rights through appropriate, non-discriminatory legislation and regulation at all levels of government, and through the implementation of safety, insurance, education and public awareness policy and programs for the betterment of all motorcycling within the Commonwealth of Massachusetts.

With new, vigorous and openly discriminatory assaults on motorcycling freedoms appearing as bills on Senate and House floors across our state and nation, it is critical now more than ever that every motorcyclist support an active rider's rights group.

monumental. As a not-for-profit corporation we need your support! An organization of volunteers fighting for motorcyclist rights need a strong, large membership to win the battle against a much larger, more powerful, and better-funded foe. Become an active part of your future and [join now!](#) Then make it your MMA! You Decide. It's Your Ride. It's Your Rights.

In the State of Massachusetts that group is The Massachusetts Motorcycle Association. Since 1975, we have been representing motorcyclists' best interests at the State House, Registry of Motor Vehicles, Insurance Commission, Governor's Highway Safety Bureau and other government agencies. We have acquired a record for being effective, and a reputation for being informed, credible and influential.
